

INSTRUMENTAL MUSIC SCHOLARSHIP APPLICATION

Thank you for your interest in Archbishop Curley’s award-winning Instrumental Music Program. The mission of this music program is to provide students with opportunities for self-expression, discipline, excellence, and life experiences through musical performance, fostering lifelong performers and supporters of quality music.

Our goal is to help our young men become versatile musicians, and we do this through a highly comprehensive curriculum. The Instrumental Music Program sets the highest standards and provides the students with a progressive four-year, five-step system of musical requirements and evaluation. Each step consists of sequential studies in applied instrumental technique, theory and music history. The members of the Curley Instrumental Music Program strive, through self-discipline, hard work, and determination, to perform at a professional level. We look forward to you joining our program!

All Applicants: Instrumental Music Scholarships Grants are awarded annually to incoming 9th grade students who demonstrate exceptional musical talent and the potential to positively impact Archbishop Curley’s Instrumental Music Program. Students interested in being considered for an Instrumental Music Grants must complete the audition process scheduled for January 2022. **Auditions will be in person, and will be with our Director of Instrumental Music, Mr. Chris Campbell.**

Email notifications will be sent in the beginning of January regarding the time/date of your audition.
